

SPONSORSHIP OPPORTUNITIES

HELP US NOURISH
THE COMMUNITY!

MISSION & VISION

Our mission is to support local farmers, food purveyors and the community through long-term sustainability of an easily accessed farmers market within the Castleberry Hill community.

Our vision is to preserve, root, and grow a diverse local food culture by maintaining an authentic space for all people to share community, fair food, and healthy lifestyle, while providing a sustainable living for producers who steward the earth.

A Food Desert.

An urban area in which it is difficult to buy affordable or good-quality fresh food is considered a Food Desert. Castleberry Hill is one of those places. It is the goal of the Castleberry Farmers Market to end our communities status as a food desert.
